

LIMONCELLO CREMA

TECHNICAL SHEET

About Limoncello Crema.

Limoncello is a lemon liqueur produced mainly in Southern Italy and is made from lemon rinds, alcohol (mainly Vodka), water, milk and sugar. Its colour is generally pale orange although there are Limoncello's of various other colours available.

Tasting Notes.

Has a creamy taste and is slightly sweet with a slight tang of alcohol on the tongue.

Serving Suggestions.

Best served chilled by itself or on the rocks, poured over vanilla ice cream.
